

ITS CANADA

Annual Conference and General Meeting

June 13 - 16, 2010 ~ Ottawa, Ontario, Canada

“ITS for Efficient, Safe and Clean Transport”

ITS Canada is now organizing its 2010 Annual Conference, to be held in Ottawa, the nation's capital, from June 13-16, 2010. The overall Conference theme is *"ITS for Efficient, Safe and Clean Transport"*, recognizing the important role that intelligent transportation plays in moving people and goods safely, sustainably and efficiently across the country.

Canada's capital and the country's fourth largest metropolis, Ottawa is located in Eastern Ontario at the junction of three majestic waterways and just across the Ottawa River from Gatineau, Quebec. A cosmopolitan yet surprisingly intimate G8 capital, Ottawa is a place where you can immerse yourself in Canadiana and culture, embrace and enjoy the great outdoors, even in the heart of the city, join the celebration at year-round festivals and events, and shop and dine in a relaxed urban setting of distinctive neighbourhoods and districts. June is an ideal time of year to visit the nation's capital, with warm temperatures, sunny skies, and flowers in bloom.
